Not illustrated. 1897 Excerpt: .the Don Quixote and Sancho Panza of my nature fight and quarrel all day, the one quotes bellicose leading articles, the other sings dulce domum. How, then, can I have anything but loathing and contempt for dreams? a O Frankly, I like dreaming. I have never been able to discover Ukes dreaming tne iys a dreamless sleep; it is like a book that wants pictures. It is ever so much more interesting to have one s sleep illustrated; besides, the dreams spread it out and make it last longer. It is all rubbish to say that dreams are tiring; nothing is half so tiring as going off into a dreamless sleep directly your head is on the pillow, and being awakened the very next instant by your tea, and hot water. That kind of sleep is not a bit amusing, and it is exhausting into the bargain. But real nice dreams, one on the top of the other, are really refreshing; and to wake up and try to recall them in the morning, before the inexorable knock comes at the door, while the early morning sounds are going on in the street below, and the water is being swished over the pavements, and the sun is making patterns on the dusty blind--is almost as nice as the dreams themselves. Even if the morning is dark, one can bear it better for having dreamed all night long. Of course, there are bad dreams; but one can always...
