Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

Speedy Kids, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Does your child love nature and mother earth? Are you looking for coloring books for kids that have an Earth Day book theme to them? Are you looking for a fun and creative holiday gift to celebrate a special day? Do you want your child to develop into an environmental-caring individual who is aware of the current issues our planet is facing today? Do you support environmental protection and want to create more awareness of the need for this? Then why not use a fun coloring book as your medium? Studies support the fact that children are visual learners and can grasp concepts faster through the use of images. This is why Earth Day Books are a great way to introduce your little one to concepts about helping to save our planet. The Earth Day Coloring Book features the following images: o Mother Earth o Protecting Earth o Conserve Water o Plant Flowers o Greener is Better o Tools for Gardening o Solar Power o Plant more Trees o Potted Plants o Backyard Gardening And many more.
