Still Life with Loops

By Eli Tolaretxipi, Philip Jenkins

Hardback. Book Condition: New. Not Signed; Born in San Sebastian, and still living and working there, the Basque poet Eli Tolaretxipi has published two collections of poetry in Spanish - Amor muerto naturaleza muerta (Past Love Still Life) and Los lazos del numero (The Loops of the Figure). Although translated into French and Italian, she has had to wait until the publication of this volume for her poetry to appear in English, in a fine translation by Philip Jenkins. Eli Tolaretxipi's poetry has a rich sense of unease, the sense of unease we feel about love and perception. Her first collection draws on the language of the visual arts to portray the end of a failing relationship, while her second reflects on the nature of perception and poetry. Still Life with Loops , as its title suggests, is made up of work from both these collections. Her poetry is similar in texture to that of some of the English-language women poets she has translated into Spanish, Elizabeth Bishop and Sylvia Plath among them. book.

Reviews

Complete guide! Its such a good go through. It is rally fascinating throug reading period of time. Its been written in an extremely basic way and is particularly only after i finished reading through this publication through which really changed me, change the way i really believe.

-- Mrs. Macy Stehr

Here is the best pdf i actually have go through till now. We have study and i also am certain that i am going to planning to go through once again once more in the future. You will not sense monotony at at any time of the time (that's what catalogs are for regarding in the event you question me).

-- Frederique Rolfson
