CINDERELLA: A CASEBOOK (PAPERBACK)

DOWNLOAD

University of Wisconsin Press, United States, 1989. Paperback. Book Condition: New. 2nd Revised edition. 224 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.Covering a period of more than one hundred years of work by renowned folklorists, these enlightening essays explore the timeless tale of Cinderella. In addition to the most famous versions of the story (Basile's Pentamerone, Perrault's Cendrillon, and the Grimm's Aschenputtel), this casebook includes articles on other versions of the tale from Russian, English, Chinese, Greek and French folklore. The volume concludes with several interpretive essays, including a psychoanalytic view from Dundes and a critique of the popularization of Cinderella in America. Folklorists, scholars of children's literature, and feminists should appreciate particularly the wide scope of this collection . . . now in paperback with an updated Bibliographical Addendum. . . . Most helpful are the two-page introductions to each variant and to each essay which include a brief overview of the historical times as well as suggested additional sources for more discussion. -Danny Rochman, Folklore Forum A milestone, a near complete source of primary and secondary materials. . . . The selected analytical writing include definitive classic and new discoveries, covering the whole range of methodological modes and theoretical perspectives from early forms and typology to myth-ritual, social-historical, anthropological, and psychoanalytical readings. The annotated bibliography is most helpful, illuminating, and comprehensive, encompassing publications in other Western languages and works by Asianists. -Chieko Mulhern, Asian Folklore Studies One can imagine several dimensions on which psychoanalysts might find such a collection interesting: as examples of applied psychoanalysis, in relation to philosophical and cultural examination of imaginative material, in relation to child development, and in the correlations between folktales of a particular culture and individual histories. -Kerry Kelly Novick,...
