Brand New Book ***** Print on Demand *****.If fighting fires were easy, then everyone would do it. If taking control of your own thoughts and actions was easy, then you wouldn't need to listen to anyone else but yourself. Since no man is an island, we do need others to help us on our paths to the greater desires in our lives. Hailing from the Chicagoland area, Andre Wiley learned how to live when he thought he was going to die in a structure that was engulfed in flames. Fortunately, you do not need to go to such extremes to find out what you as the reader are made of, just learn from someone who did. Drawing from his own life stories coupled with actual firefighting technique and training, Andre Wiley clearly shows the reader has certain rights and responsibilities if they are to fight fire with fire and deal with all the stressful situations that flare up in everyday life. In this book, Andre goes through 30 life changing principles to help you become the firefighter of your own life by getting rid of the stress, fear and limiting beliefs that hold your mind prisoner, and replace these key factors with desire and determination. If fires were easy is an instant must-have book for every office, bookshelf, and coffee table.
