Hackett Publishing Co, Inc. Paperback. Book Condition: new. BRAND NEW, Wieland or the Transformation: With Related Texts, Charles Brockden Brown, Philip Barnard, Stephen Shapiro, Wieland; or The Transformation (1798) ties revolutionary-era Gothic themes to struggles over the politics of Enlightenment on both sides of the Atlantic. This edition of Wieland includes Brown's Memoirs of Carwin the Biloquist and writings on Cicero, as well as his key essays on history and literature, and selections from contemporary German and other texts that figure in the novel's background and in the charged atmosphere of the late 1790s.
