On Demand Publishing, LLC-Create Space, United Kingdom, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Selective Mutism Treatment Guide: Manuals for Parents, Teachers, and Therapists, is an innovative, effective approach to the treatment of selective mutism, which is based both on rich clinical experience spanning two decades, and on theoretical knowledge of how selective mutism is generally viewed and treated today. It includes separate manuals written for parents, school or kindergarten staff, and therapists, each with concrete, effective, tried and tested ways of helping the child with selective mutism. It is designed to be a positive and empowering experience for the child and his family. This guide is aimed for professionals and lay people alike: For parents and relatives of children with SM it offers a valuable resource to understand the condition, with programs and tools to help the child at home and at school in order to improve his verbal and social communication. For mental health and school based professionals it provides a guide which enables the reader to understand and treat the disorder, working closely with the school and the parents. The Parents Manual includes sections...
