A WEEK IN DECEMBER: VINTAGE CHRISTMAS

Vintage Publishing. Paperback / softback. Book Condition: new. BRAND NEW, A Week in December: Vintage Christmas, Sebastian Faulks, Powerful contemporary novel set in London from a master of literary fiction. THE NUMBER ONE BESTSELLER London, the week before Christmas, 2007. Seven wintry days to track the lives of seven characters: a hedge fund manager trying to bring off the biggest trade of his career; a professional footballer recently arrived from Poland; a young lawyer with little work and too much time to speculate; a student who has been led astray by Islamist theory; a hack book-reviewer; a schoolboy hooked on skunk and reality TV; and a Tube driver whose Circle Line train joins these and countless other lives together in a daily loop. With daring skill, the novel pieces together the complex patterns and crossings of modern urban life, and the group is forced, one by one, to confront the true nature of the world they inhabit. Sweeping, satirical, Dickensian in scope, "A Week in December" is a thrilling state of the nation novel from a master of literary fiction."
