ENGINEERING CONTROL MEASURES (COLLEGE OF SURVEYING AND MAPPING SERIES OF TEXTBOOKS)

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 202 Publisher: Wuhan University Pub. Date :2011-08-01 version 1 Tian Ya. Yue Jianping. MEI edited the engineering control measure is divided into 10 chapters. sections and content of the presentation is based on the preparation of The basic process engineering control measures carried out. from the engineering control network design. data processing and the observed results. formed a relatively complete project control survey system. Engineering control measures in a more systematic exposition of engineering controls and methods of measurement theory. based on the introduction of new technology in the current mapping measurements in the use of engineering controls. while working closely with engineering practice. discusses in detail the engineering control measures appear in the problems and their solutions. and large bridges. hydropower stations. dikes and other projects to illustrate examples of control measurements. Contents: Chapter 1 Introduction 1.1 The concept of engineering control measures 1.1.1 engineering control measure different tasks and roles 1.1.2 works on the control measure requirements engineering control measure 1.2 Overview 1.2.1 Project development control measurement technology 1.2. 2 data processing theories and methods of development Chapter 2 2.1 project engineering control network control network laid the principles laid 2.1.1 Classification of distribution network. step by step with sufficient precision control 2.1.2 2.1.3 2.1.4 has a certain density comply with the appropriate specification 2.2 Network layout of the form of engineering control requirements of 2.2.1 and the layout of the form of plane control network requirements of 2.2.2 and the layout of the form of vertical control network engineering control measures and requirements 2.3 2.3.1 the technical design of data collection and analysis Figure 2.3.2 on the control network control network design 2.3.3 2.3.4...
