## ***Reviews***

*An extremely great ebook with perfect and lucid answers. This is certainly for anyone who states that there was not a well worth looking at. It's been designed in an exceptionally simple way and is particularly only soon after I finished reading through this ebook in which actually transformed me, modify the way in my opinion.*

## HAT

Bloomsbury. 1 Cloth(s), 2009. hard. Book Condition: New. An abandoned hat on a park bench touches off this thoughtful exploration of "finders keepers," for youngsters 4 to 7. This is a pretty spectacular hat we're talking about—bright red, with a mile-wide brim and it perfectly fits young Henry, who can imagine it keeping off the sun and rain, aiding him in magical performances, serving as an impromptu sled or boat, and making him look like a superstar. "But Henry," his mother reminds him, "what if someone else needs this hat?" Soon all he can think of is all the people who might have lost it—delightfully imagined in Paul Hoppe's spare and elegant drawings—and how they will have to carry on hatless if he takes it. What will Henry do? What would you do? 32.
