Sometimes these questions are called the 5WH questions. They are: Who, What, When, Why, Where and How? When you are writing a non-fiction (true) story the answers to these questions are facts (things that are true). When you answer the 5WH questions for a non-fiction story, your answers have to be true. When you are writing a fiction (made-up or make-believe) story the answers to the 5WH questions cannot be found in a book or by remembering what happened to you....
