THE OXYGEN PLAN (PAPERBACK)

Brick Tower Press, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. The Oxygen Plan was a life-changer simply because it put me in control of my choices, while giving me structure to define and categorize my issues. -Lorraine Lucciola, freelance writer Why Oxygen? The Oxygen Plan offers viable behavioral tools and professional support for abundant happiness, fulfillment and maximized potential, by exploring the foundations of stress, which are different for each of us, and by presenting new methods of managing it. Our goal is to usher you into the green, by presenting a multi-faceted understanding of what being healthy-physically, emotionally, socially and behaviorally-feels like. Optimism is its own self-fulfilling prophecy. Optimism embraces our hope, our strength and our perseverance. One positive thought or action engenders the next positive thought or action. Optimism is powerful and persuasive. It tells your brain that you can do great things. And you can. Author Eric Lucas, the founder and chief executive of The Oxygen Plan...
