

## Present Development of Heavy Ordnance in the United States (Classic Reprint) (Paperback)

Filesize: 9.18 MB

### ***Reviews***

*A must buy book if you need to adding benefit. This is for anyone who statte that there had not been a well worth reading through. Its been designed in an exceptionally straightforward way which is simply right after i finished reading this book where basically changed me, change the way i think.  
(Adrien Robel)*

## PRESENT DEVELOPMENT OF HEAVY ORDNANCE IN THE UNITED STATES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Present Development of Heavy Ordnance in the United States The lecturer was introduced by the Secretary of the Institute and spoke as follows: Mr. Chairman and Members of the Institute: A few days after the issue of the notice by your Institute that I would come here to-night for the purpose of telling you something about recent progress in the United States in the manufacture of heavy ordnance, I received a letter from a friend which I shall take the liberty of reading to you: It affords me pleasure to be the recipient of cards for a lecture to be delivered by you at the Franklin Institute on Friday, January 6, 1893, and I thank you for the opportunity you have so kindly afforded me to listen to your essay on the Recent Development of Heavy Ordnance in the United States. I shall be there and shall look forward to hearing something new and interesting on that occasion. The reasons contained in my response to him: Replying to your favor of the 24th, when you recall departmental and manufacturing reticence, you will perhaps not be surprised if you do not hear anything new, must be my excuse for doing little more than repeat in a revised form my lecture delivered to the New York Naval Reserve Association last May. As our good friend, Mr. Kirchhoff, has already made you familiar with the major part of it through the columns of his excellent journal, The Iron Age, I shall have to ask your indulgence to consider that publication as taking the place of the advance copies of papers usually distributed to their members by scientific societies. About...
