Excerpt: . . . agreements, their combinations in restraint of trade; but all within limitations prescribed by their own customs. which customs from long experience they had found to be just and reasonable. I find it hard to define justice except as a moral equilibrium Experience evolves its own definitions and, as I have shown, the lawx is based on experience and not on the categories of logic. - Then the speaker goes on to show how Lord Mansfield, when he took his place on the Bench (in 1756) consorted with the merchants for the purpose of learning their ideals, methods. and business habits. The result was that Mansfield declared the Law Merchant to be the Law of England, and this maxim embodied the lav of this country up to the time the so-called Sherman Act first came before the U. S. Supreme Court for judicial interpretation. Four of the members voted for interpretation by the light of reason--common law but five voted that it should be construed literally, and so by a single vote in a court of nine judges, the law of the land was revolutionized, and regulation was enthroned. Now shall we place the burden of blame for these present conditions upon the shoulders of others or shall we acknowledge that we are to blame, ours being a government of the people Much of the inefficiency and lack of economy in government legislation and administration is due to the fact that we who are...
