The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.

Contents: 30 black and white original, hand-drawn abstract drawings and 30 poems that interpret the drawings. Each drawing is different from the others and has its own theme. There is a great variety of themes and designs. Easy-to-color small, medium and large spaces throughout the book. Islands is enchanting and witty and blends original art and poetry to create pure entertainment. Islands is emotional and meditative and intellectually engaging. Islands heals the spirit while it takes you on a sensual adventure. Its myriad of delightful themes has something for everyone: seahorses, Mozart, moons, Odysseus, stars, Pink Floyd, snakes, Jimmy Durante, tropical islands, Galway, golf, monsters, loose eggs, the 1970 s, tonsils, etc. And swimming on the pages is Apolla Seahorse, the book s logo and beloved mascot. All Islands books in the 4-book series are crossover books. Teens and Kids love the Adult books and Adults love the Teens and Kids book. This is because the abstract drawings are different to each person. And the fun, easy-to-read poems s themes and wording are aimed at people s minds and hearts, regardless of age, gender, culture. Islands, A Coloring Book for Adults because adults love to color too.
