They ride the plains of Grak in thundering hordes, taking what they wish from anyone who stands in their way! Written by James M. Ward and Michael Lichucki, this Sovereign Stone sourcebook details the dwarves, their culture, and lands, and features new prestige classes, feats, and spells for Sovereign Stone's exciting magic system.

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Kian Harber**

Without doubt, this is actually the very best function by any article writer. It was written quite flawlessly and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.
