SIMON SCHUSTER, United States, 2013. Paperback. Book Condition: New. Reprint. 170 x 107 mm. Language: English . Brand New Book. After more than ten years of successfully raising two sons on her own, Denise Stewart finds herself involved with both of their fathers while also beginning a relationship with a new man. Jimmie, the father of her eldest, suddenly wants a major role in his son s life after learning that the teenager is a top basketball prospect. Walter, the father of Denise s younger son, returns from the historic Million Man March in Washington intent on gaining custody and determined to assume full-time responsibility for his son instead of for just two weekends out of each month. And then there s Brock, the truck driver who is falling in love with Denise but is uncertain whether he wants the burden of a ready-made family. New York Times bestselling author Omar Tyree delivers a compelling and powerfully true-to-life family drama for all those who understand and, most importantly, don t understand the plight of the single mother (Lolita Files).
