*It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I in fact changed me, change the way I think.*

Paulist Press International, U.S. Paperback. Book Condition: new. BRAND NEW, 101 Questions & Answers on Catholic Social Teaching (2nd Revised edition), Kenneth R. Himes, Now revised to reflect the many changes in our society, around the world, and in the church, this volume provides basic introductory information about the edition of Catholic social teaching, giving a concise overview of what the major documents of the tradition say about political, economic, and social life. Laced throughout with references to the actual documents, the volume puts into accessible language the key ideas that the church has proclaimed in the area of social teaching. Grouped by topics, the questions represent the most common inquiries the typical Catholic asks about the church's teaching. The answers are brief, accurate responses based on the important official documents of the church. While the book can be read easily in a sitting or two, the format also permits the reader to check on a single topic or idea for quick reference. Ideal for personal education, the book is also suitable for adult formation, discussion, and reflection.
