Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Hello there, I am Leandra Vane. I write a sexuality and book review blog called The Unlaced Librarian. I read a lot of books about sex, so I figured it s about time I wrote one. My entire life I have been working to understand three core aspects of my identity: My sexuality, my visible physical disability and my femininity. For the longest time, I never thought I d be able to live in a world that accepted all three without reprisal. Part memoir, part commentary on social issues in sex and disability, I write about my experiences growing from a timid, small town nice girl to an empowered, confidently sexual and kinky disabled woman. From my first pair of sexy panties through navigating my open marriage, I hope to shed light on how embodied experiences play a role in shaping our sexual lives. Add in a dash of porn, a splash of erotica, and a few musings on marriage, I present to you Trophy Wife: Sexuality. Disability. Femininity. Join me, won t you?.
