Reviews

I just started out reading this ebook. It is rally exciting throgh reading through time. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Leonie Collins)

THE PRINCES OF IRELAND: THE DUBLIN SAGA

DOWNLOAD

Ballantine. 1 Paperback(s), 2005. soft. Book Condition: New. Following Sarum, Russka, and Londonall of which captivated readers with narratives that traced the fortunes of several fictional families down through the ages Edward Rutherfurd here gives us the first of a two-part panorama of Ireland's tragic and glorious history. The saga begins here in 5th-century Dubh Linn with a re-fashioning of the legend of Cuchulainn; this volume ends in the 16th century, as Henry VIII imposes his Protestant vision on Catholic Ireland. Through the interlocking stories of a memorable cast of druids and chieftains, monks and smugglers, noblewomen and farmwives, rebels and cowards, Rutherfurd distills the essence of the country and its people. "A sweeping, carefully reconstructed portrait of a nation . [that] leaps through the centuries." NYTimes "Historical fiction fans can settle in for a long, cozy read as Rutherfurd conducts a spellbinding tour of ancient Ireland. Employing the chatty style he perfected in his best-selling novels Sarum and London, he covers . a kaleidoscope of interwoven historical and fictional characters caught up in all the pageantry and drama of their particular time and place in history. The real focal point of this sprawling saga is, however, the city of Dublin itself. The first installment in a two-part series on the origins and evolution of one of the world's most venerable urban centers, the narrative is distinguished by the panoramic portrait it paints of Dublin through the ages. Like James Michener and Leon Uris, Rutherfurd does a magnificent job of packaging a crackling good yarn within a digestible overview of complex historical circumstances and events. After devouring this initial volume, readers will eagerly anticipate the publication of the conclusion of the page-turning Dublin Saga." Booklist 776.
