Vocabulary and grammar in Conectate are taught using an active learning approach, nudging students to discover new vocabulary and language rules through a carefully balanced mix of inductive and explicit presentations and hands-on learning. Students are similarly asked to take an active role in an immersive online game, Practice Spanish: Study Abroad, designed around a study abroad experience in which they leverage their language and cultural skills to accomplish tasks and solve problems in various real-world scenarios. Integration of culture: Building on the active learning theme, students develop and apply critical thinking skills as...
