Brand New Book ***** Print on Demand *****.This book is the 3rd book of The Adventures of Danny Hoopenbiller series. Published on November 2013, this first edition was written and illustrated by David T. Lee at age 9. It is the sequel of Danny and the Trip to Outer Space and Danny and the Portal of the World. This book contains 19 chapters, 17,000 words and 7 full page illustrations. Full color illustrations are available for view on his author blog as listed below. It is suitable for kids 7-12. Summary of the story: The impossible has happened. Dinosaurs, vanished 65 million years ago, have come back to life. Nations have to unite to stop the rampaging monsters from wiping out mankind. Humans are losing the fight - until Danny Hoopenbiller comes. After dinosaurs destroyed his home, Danny is forced to protect his family and under desperate measures, leads the USA Army into what may be their most deadly mission. Danny is the balance that could either save or raze humankind. Will he survive? Contact: David s author blog: /// Facebook: Twitter: Pinterest: Youtube: Here is a book review of this book from April Jones Prince (Author of many award winning children books and a long time editor): David, you have always been a strong writer, but you are growing by leaps and bounds! It s really fantastic to see. I think this was my favorite Danny story yet because the idea was so inventive (going back to the time of the meteor) and the dino villains are ones we are simultaneously fascinated with but also love to hate. This is one action-packed adventure! And you are quite adept at imagining...
