McGraw-Hill Education - Europe, United States, 2002. Paperback. Book Condition: New. 152 x 102 mm. Language: English . Brand New Book. You can cable any kind of audio or video installation--from a professional recording studio to your home theater! Great for everyone from home enthusiasts to professional engineers and technicians, the Audio/Video Cable Installer s Pocket Guide puts complete performance specifications for analog and digital audio and video installations in the palm of your hand. The convenient pocket-size is perfect for professionals in the field as well as hobbyists tinkering in their basement. Complete, concise, and easy to use and understand, Audio/Video Cable Installer s Pocket Guide includes over 200 illustrations that clarify all the methods, procedures, and tools required to successfully tackle even the most complex installation job. Just when I thought Steve Lampen couldn t possibly come up with any new information about wire or cable, he manages a fun and informative new book. His writing style makes dry material actually interesting, detailing a wealth of practical information on the latest in wire and cable technologies. I highly recommend adding this book for your technical library. - Dane E. Ericksen, P.E., CSRTE, Hammett Edison, Inc.
