JUST ONE LOOK: An ordinary snapshot causes a mothers world to unravel in an instant. After picking up her two young children from school, Grace Lawson looks through a newly developed set of photographs. She finds an odd one in the pack: a mysterious picture from perhaps twenty years ago, showing four strangers she cant identify. She doesnt know where hes going, or why hes leaving. Or if hes ever coming back. Nor does she realize how dangerous the search for him will be. Her world turned upside-down, filled with doubts about her herself and marriage, Grace must confront the dark corners of her own tragic past as she struggles to learn the truth, find her husband, and save her family.
